STONE SOUP

It's a story

‘homegrown’ is the word

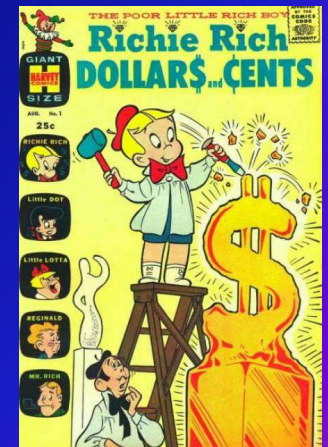

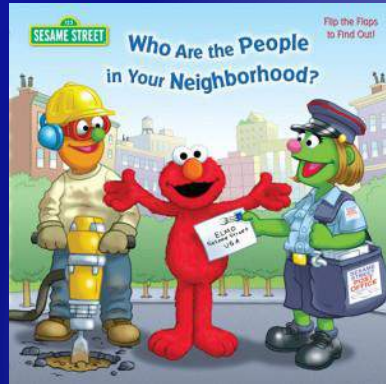

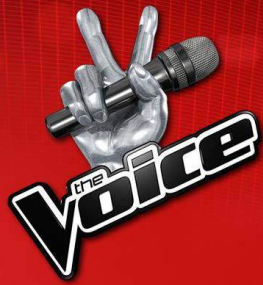

‘A leader is anyone willing to help, anyone who sees something that needs to change and takes the first steps to influence that situation’
Margaret Wheatley

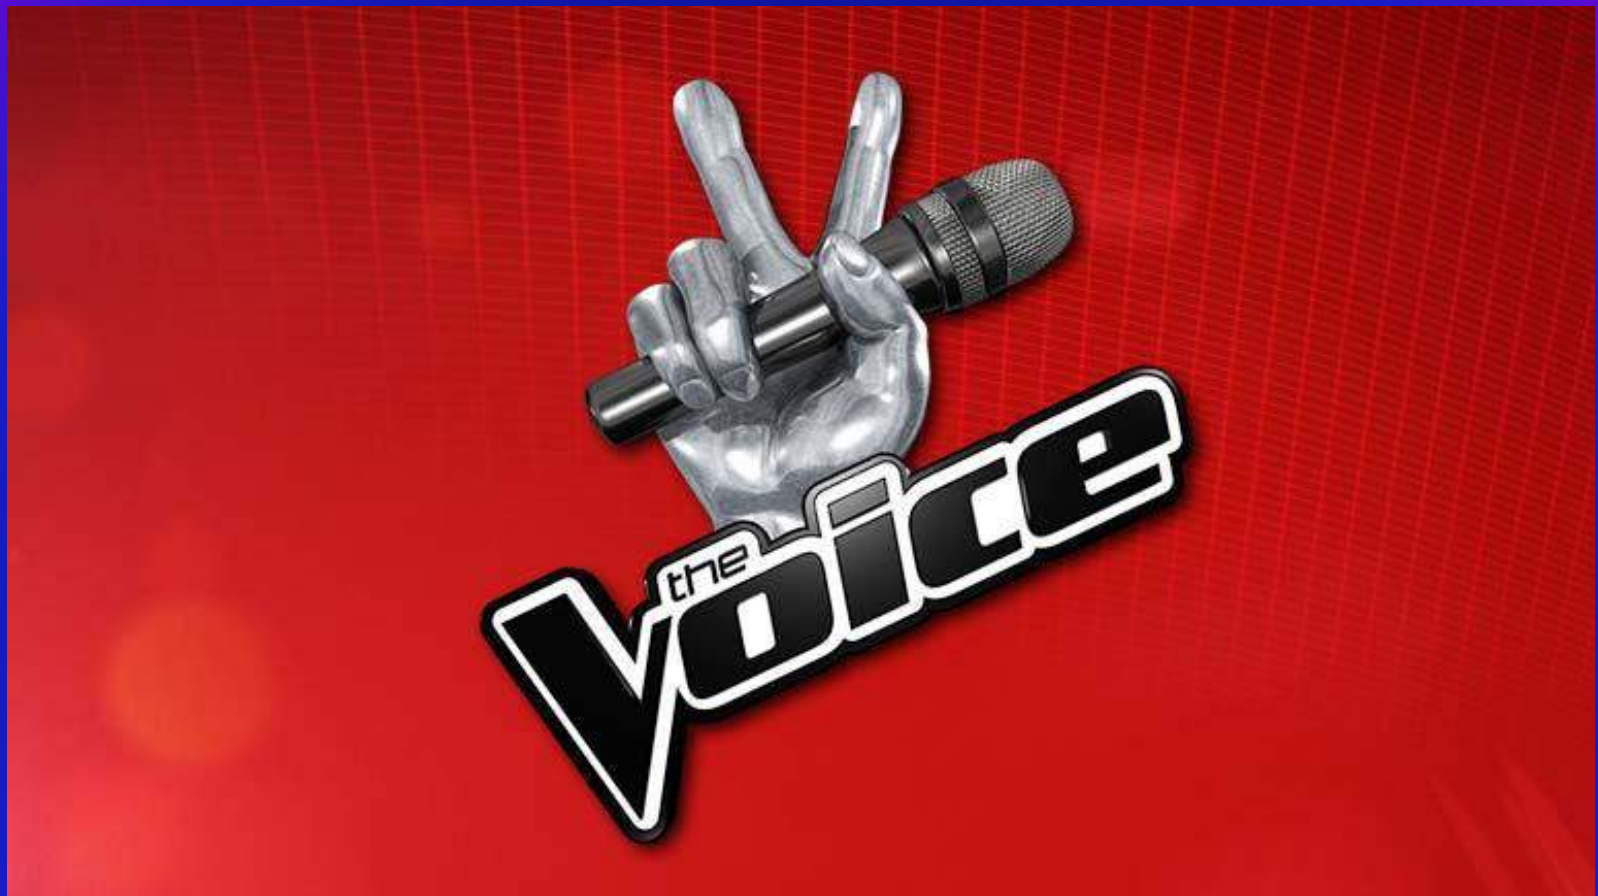

‘If you want to create change,
change the conversation’

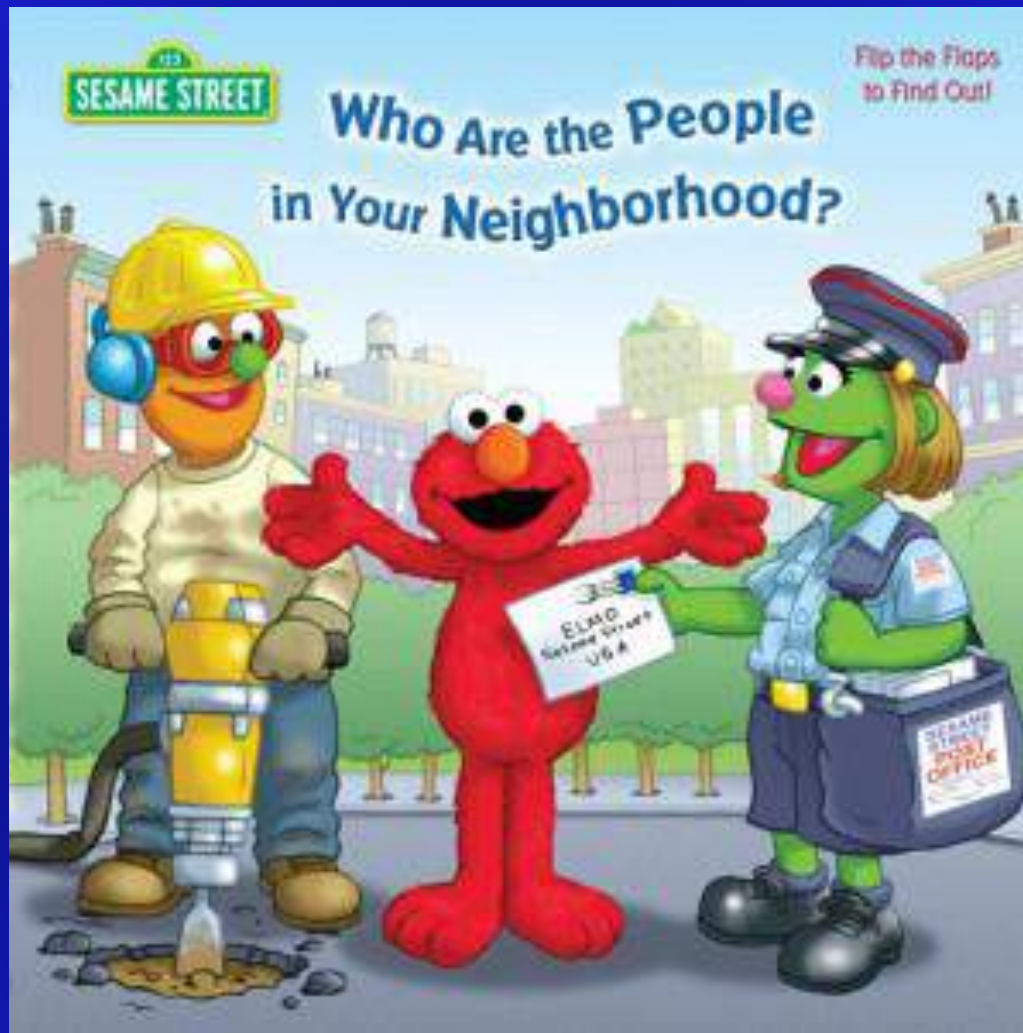

Community ownership means sometimes the hangi pit is dug 4x too big, and Greg spends 2 hours refilling & pounding in support braces to stop it caving in

#4 Reporting that captures stories of change.

The Funder Relationship

STONE SOUP

It's a story

*Mum, dad / family house [Housing NZ] could
be lost. All placentas are there and don't want
it to be left empty or damaged.*

*Feeling insecure, family home always full of love not fear. To feel
like could be kicked out, feeling like we have no voice, powerless.
We are retiring age should be left to live in our house, we have
loved and looked after this house.*

*Housing New Zealand want me to move, not
heard anything lately, have not seen normal
form, worried rent will go up. This is my home
for 50 years.*
