

Learning by doing

Community-Led Development Pilot

Nicola Brehaut

INTERNAL AFFAIRS

Te Tari Taiwhenua

New Zealand Government

Why CLD?

- Changes in environment for communities
- Strengthen impact of investment in communities
- Alignment with ministerial and government priorities

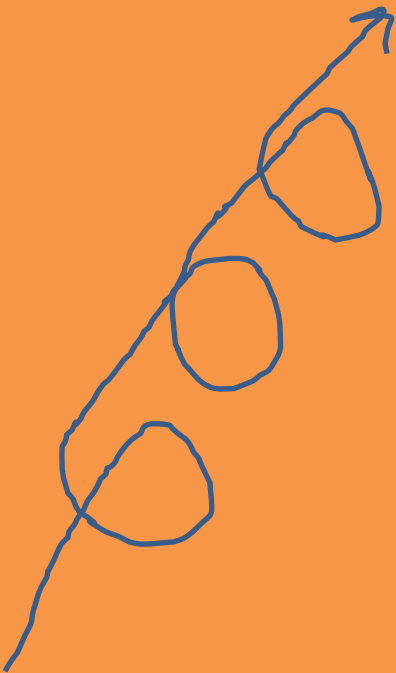

Successes

- Community empowerment and self-determination
- Leadership and capability growth
- Achievement of community priorities
- Connectedness and participation
- Action learning

Learning by doing

- Capability required
- 1 size does not fit all
- More than a funding programme
- Government and community perspectives
- Takes time

A Clear &
POWERFUL
STRATEGY

Setting up for success

- Assess readiness
- Consider the eco-system
- Wide stakeholder engagement
- Clarity of expectations
- Intentional outcomes measurement
- Urgent patience

Role of central government

- Connect
- Advise
- Resource
- Inform
