

## Programme

### Day One: Discover

Visit a variety of uplifting and refreshing examples of CLD in action! Each area has its own flavour and is hosted by local people who will tell you not only what they are doing but also how and with whom. There will be time to ask questions too. Lunch is also provided locally and we'll have snacks on the bus. Bring your own water!

## Day Two: Ideas Exchange

Exchange ideas, learn new tools, frameworks, skills and hear stories and ideas from people that you may not normally cross paths with today. Proven in the Aotearoa context, these will help you foster successful collaboration, leadership, partnering and assessment for a wide variety of purposes and in all kinds of settings. You will be refreshed and go home ready for action!
