## **HUMAN LEARNING SYSTEMS: AOTEAROA LAUNCH - Wednesday 3 November,**

We have been working alongside our colleagues at the Centre for Public Impact, and we are excited to be co-launching this Human Learning Systems e-book with them, featuring our own David Hanna, and other fabulous colleagues across Aotearoa.

Human Learning Systems offers insight into future ways of working that take us beyond outdated public management approaches, and can help us consider how we move towards approaches that are better equipped to engage with the complexity of people's lives and the complex issues we face globally.
