Caring for each other through money

Porirua Wealth Pool Treaty

We, the Porirua Wealth Members agree to

Demonstrate Whakawhanaungatanga and Manaakitanga by

- Introductions in every meeting to help each other feel comfortable, to get to know each other.
- We take equal responsibility to clarify the problem and find ways to problem solve. “It’s about the problem, not the person”.
- We support and encourage each other to share and take responsibility, to speak up/korero.
- We are here for a common goal, we look after each other in the room as well as outside.

Maintain confidentiality by

- We protect each other’s financial & personal information, in the meeting and on paper

Be transparent by

- We take equal responsibility for keeping each other honest and we are all the same in the pool.
- Wesley Community Action staff to declare their roles
- Minutes are sent out electronically, a paper copy of the minutes and statements will be kept at Wesley House.
- We will have time to ask questions about minutes and other things at each meeting.
- We can add or change our agreement/treaty as we see fit

I didn't have to loan I had savings for my tyres

I have not been to WINZ for 2 years to ask for a food grant. I save and bulk buy when I need to.

Talking about my problem with the group, gave me the space and options to think clearly

I have options

While I am saving and not using my money, a member can use it .

It gives me hope and I can dream big

Saving on my own has been hard but in a group it is easier we are accountable to each other

What can we do together that we can't do alone to build abundance?
