

Let's talk about...

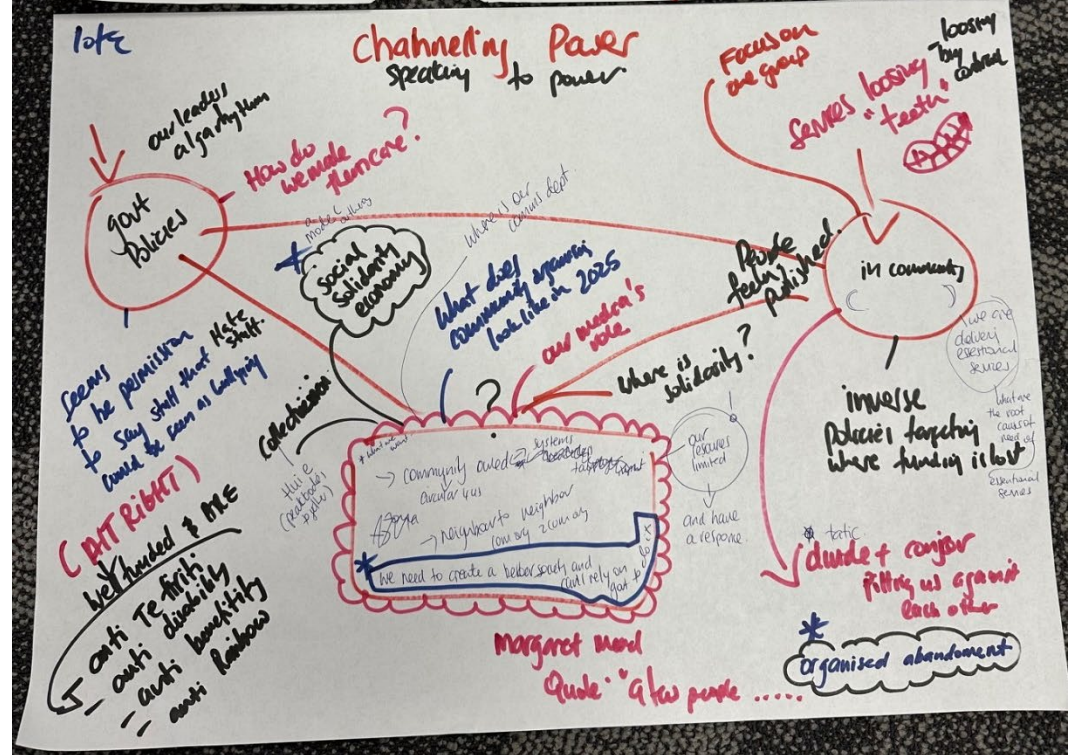

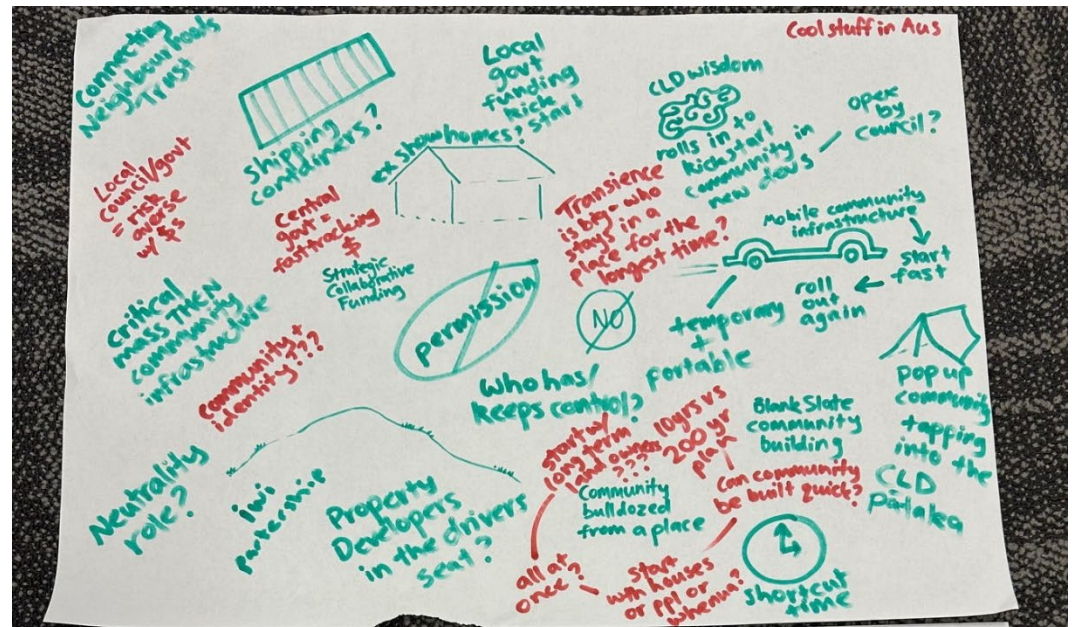

A Te Ao Māori approach to community-led development

- Youth / Rangatahi:**
- 1 - Community led engagement.
 - relationship + trust / rapport
 - resilience of the rangatahi:
 - authentic, pono, tika.
 - mātauranga māori.
 - strengths,
 - what are the values that the rangatahi have which can be the driver.

How do you/have you engaged with their whānau/caregiver/parents? - What worked? what didn't?

- Te Ao Māori lens on ADHD. how to educate + support them to manage their neurodiversity in kaupapa Māori spaces.
- is it that our education is the problem.
